The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbsm.com or www.michiganbac.org, or call the number on the back of your BCBSM ID card or the Fund Office at 1-800-531-2244. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/SBC-GLOSSARY/ or call 1-855-756-4448 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|--|---|
| What is the overall <u>deductible</u> ? | \$500 Individual/\$1000 Family for <u>in-network;</u> \$1,000 Individual/ \$2,000 Family for <u>out-of-network</u> | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> , primary care and COVID-19 and related services as a result of the National Public Health Emergency, are covered before you meet your <u>deductible</u> . Additionally, office visit services are also not subject to the <u>deductible</u> but are subject to a <u>copayment</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> . |
| Are there other <u>deductibles</u> for specific services? | No. | There are no other <u>deductibles</u> . |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$7,900 Individual/\$15,800 Family Note : Within the <u>out-of-pocket limit</u> there is a \$2,000 annual <u>coinsurance</u> <u>in-network</u> family maximum | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u> ? | <u>Copayments</u> for certain services, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |

| Important Questions | Answers | Why This Matters: |
|---|--|---|
| Will you pay less if you use a <u>network provider</u> ? | Yes. See <u>www.bcbsm.com</u> or call the number on the back of your BCBSM ID card for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance</u> <u>billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . Note: A <u>referral</u> for an <u>out-of-network</u> <u>provider</u> is required to avoid additional <u>out-of-pocket</u> expenses. |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
